Data protection (pursuant to Art. 9 (2) GDPR)

I consent to my attending doctor/doctors collecting, processing and storing my treatment data and reports within the treatment chain for the purpose of maintaining the required documentation trail and of further treatment.

I am aware that I may at any time upon written request obtain free information on the personal data which is stored about me.

In addition, I am entitled to request the correction of incorrect data and the blocking and deletion of my medical data, unless statutory retention periods or other laws apply which prohibit such correction, blocking or deletion.

Place, date

Signature of the patient or patient`s guardian
